

Environmental Fact Sheet

Updated: August 2009

PRODUCT

COCOON OFFSET

DESCRIPTION

By choosing Cocoon you will never have to make a choice between the environment and quality again. Cocoon has superior environmental credentials – 100% FSC certified process chlorine free, de-inked pulp from genuine 100% post consumer waste. It has excellent whiteness with 150 CIE and can be compared with virgin fibre products. Cocoon is your ultimate choice for a recycled paper.
