

When the going gets tough, charge
in and bulk up with **neo-KNIGHT**

Moorim is the largest producer of high quality coated papers in South Korea. For more than 50 years Moorim has developed many unique techniques for surface coating. Together with its ethical and sustainable practices of harvesting resources from well managed forests, through to its commitment to environmental concerns, Moorim truly is a "green" company. By choosing to use Moorim products you can look to the future for a sustainable print industry.

Double Coat Surface
Pre-Pre-Top-Top

FEATURES & BENEFITS

- High Bulk 210 - 350gsm
- Gloss & Satin 80 - 350gsm
- Colour Blue-White shade
- Quick Ink setup with faster backup time frames
- Sharper image quality

B&F Papers is proud to introduce Neo-Knight from Moorim, South Korea's largest manufacturer of coated papers. When you require a full bodied paper, the Neo range offers a superior print quality on a high 91 brightness, blue-white shade. Neo's unique double coated surface results in a smoother than smooth finish which eliminates glare and significantly reduces paper curl.

Contact your local B&F Consultant to specify Neo on your next print job and you will be your clients knight in shining armour!

For more information on the NEW Neo range please email us at AuckSales@bfpapers.co.nz
